

Once again, we are asking you to participate and support the 7th annual “Marinette Logging & Heritage Festival”. The two day event is scheduled to take place on Saturday July 8th and Sunday, July 9th on Stephenson Island. The Fireworks show will be held on Saturday at dusk and the Parade & Car Show will be held on Sunday. Many other great events are taking place both days!

As a PROUD community, we need to continue to showcase our City and renew the pride of our citizens. We come to you again for help! As a non-profit festival, with NO budget, we are again planning to fill the two days with FREE events, activities, bands ,crafters, food vendors, Car Show , 5K Run/Walk and children’s activities. The cost of fireworks is covered by our City of Marinette room tax

The 7th Annual “Logging & Heritage Festival” depends on community involvement and support. Financial assistance, as well as volunteers, is needed to make our community proud. Could we count on you to be a sponsor? We appreciate your consideration. Please choose from the following.
